The 3-hour class will cover:

- Creating painted papers for collage fodder
- Practicing mark making for creating patterns & design on paper
- Using stencils, stamps, and paint pens to embellish collage layers
- Combining semi-transparent and opaque papers for layering
- Creating collages with a limited color palette

The class fee of \$ 65 includes all materials. The collage sketches will be done within 3” square grids on sketchbook pages. The sketchbook will be yours to keep.

[If you already have a sketchbook from taking this class previously, you are welcome to bring that sketchbook with you and add additional grid sketches to it. If you bring your own sketchbook, the course fee will be \$ 60]

Students are welcome to bring magazines, papers, cards, or other personal items for their collages if they wish.

This is great introductory class for my Mixed Media Collage class. If you’ve already taken that class, you are certainly welcome to take this class, which may help to spark some new ideas for collages of your own.

No previous drawing or art background is needed.

Class size is limited to 10 students, so sign up soon. To register for the class, just send an email to [mclark@clarkart-stl.com](mailto:mclark@clarkart-stl.com) stating that you are interested in taking the Collage Grid Sketches class. Also indicate if you will be bringing your own sketchbook from a previous class.
